# PRINTED PRODUCT

## FRAMED PRINTS

What we mean by frame size: "Frame size" means the dimensions of the mat that fits the frame, not the size of the print or the moulding.

Frames are sold fully assembled (including the print) so you don't need to worry about getting dimensions wrong. Just select the frame size you would like.

Frame colours are available in, Black, White, Wood Grain Grey, Warm Metallic, Wood Grain Oak. Without a matt option is available.
